What if I told you I just watched a movie where:

1. The main character stumbles across a "piece of information" that causes him to question everything that he once thought was true, especially all the authorities in his life?
2. Whole groups of individuals were involved in trying to silence the truth he had discovered?
3. An amazing series of tension-filled chase scenes followed the main character as he tried to expose "the truth?"
4. Whole towns protested the information, but in the end showed up for the movie?

Well...I did...I just watched **Chicken Little!**

This just in...God says that Dan Brown's "Little Piece of Sky" will not stand against the Church, but Christians should take a lesson.

ANOTHER GOSPEL?

Galatians 1:6, 7

BACKGROUND

-
-
-

THE DAVINCI LOAD

THIS IS **NOT** NEW

- There have been different **cults** and teachers...

- Posing different **truths** and **gospels**...

- Using the same **basic** outline...

1. Questions if God really **said** what we **know** He said.

2. Boldly asserting **God's Word** is not **true**.

3. Stating that the truth we have been taught is really a **conspiracy** to keep us from **real knowledge** and experience.

4. Posits an **alternative** "truth" we are to accept based on **untested** authority and **personal desire**!

● **Since the beginning!**

THE REAL CONSPIRACY

GALATIANS 1:7

● Through Paul, God warns us that the enemy will:

1. **Disturb** us = To disturb mentally with excitement, perplexity and fear. (*Wuest*)

2. **Distort** the Gospel = To pervert, change to the opposite. (*Wuest*)

PAUL'S RESPONSE

GALATIANS 1:6

- I'm shocked that you packed up and deserted so quickly!
 - This has the **enemy's fingerprints** all over it!
 - You were **saved** by **grace**.
 - As your Father, you should know **Him** better.
