Jeremiah 6:16-20

### **“The Ancient Truth”**

“In every age God calls to men, “Believe in Me... I am the way you should travel, I am the truth you seek, and I am the life that is filled with peace.” Yet, in every age men ignore the call. We build into the fabric of our lives a frantic pace. Like one who is falling over the edge of a cliff, we claw and grasp at the crumbling edges of our life, hoping against hope to survive the situation we have put ourselves in.

The Scriptures declare that in the midst of a storm of our own making, there is still an ancient voice calling, “Hear me, I’ll quiet the storm, set you on your feet – I will give you life” ... What will your answer be?
