“Avoiding the Lukewarm Life”

Revelation 3:14-22

*Presented by
Pastor Justin Greene*

What do you think of when you hear the word Laodicea? How about paradox? The Laodiceans were wealthy yet poor, comfortable yet sickly, and busy doing nothing. This church thought they saw the truth but they were blind to their situation. They were saved, yet at the end of His message Christ gives an invitation. In Revelation 3:14-22 Christ calls this un-empowered, delusional and selfish church to repent. His intention was not to produce guilt but fellowship.

Background

- Laodicea = **will** of the People
- The Lord tells this **church** that they need to hear the **truth** from a source they can **trust**.

Losing Laodicea

There were 4 indicators that the Laodiceans were losing it.

1. They lost their **passion**.

-

2. They lost their **purpose**.

-

3. They lost their **purity**.

-

4. They lost their **perspective**.

-

The Prescription

- Christ prescribed for them **gold**, garments, and **goo**.

- A spiritual transformation will change what we **treasure**, who we are, and how we see **reality**.

We need:

- ✓ Works that **stand** the **test**.

- ✓ A life that is **pure**.

- ✓ Fellowship with Christ that is **felt**!

Does this describe you?
